Honorable Mayor and City Council
City of Wolfforth

Dear Mayor Addington and City Councilmembers,

In accordance with the Civil Statutes of the State of Texas, the proposed budget is submitted for your review and consideration. Upon adoption, this budget will provide financial guidance for city operations for fiscal year 2018-2019

Growth in Wolfforth still proceeds at a rapid pace. Preston Manor was a participant in the Parade of Homes and lot sales and new permits have increased. Preston Hollow Phase II is near completion, and after some utility issues the Scarlet Matador homes and Patterson Pointe should be open soon. The Reserves continues to stay at 100% occupancy and the Residence Senior housing apartments construction is in full swing.

The hard work the Wolfforth EDC (WEDC) has put in over the years is beginning to show results. This year's sales tax are up over 31% over last year according to ZacTax. The Accoutrements Shopping Center is a direct result of contacts made at ICSC Dallas. Businesses other that retail are making a bigger impact. Land has been purchased by Braum's, O'Reilly's, and CVS that will have those businesses on them in the future. Hopefully, our sales tax numbers will continue to grow substantially and become an appropriate percentage to a community of our size.

Future infrastructure needs continue to be a concern. The Edwards Trinity Well project did not prove out as hoped, but we were able to still have a producing well from the Ogallala aquifer. Purchasing CRMWA water allocation from the City of Slaton is under negotiation and should give some relief on our own systems. Utility and road infrastructure projects will soon be placed on the CIP for consideration.

The City purchased an ambulance in order to maintain independence in the operation of emergency medical services. The search for a paid Fire Chief is underway. Volunteerism and funding are continued concerns in that area.

Future personnel changes are on the way due to retirement and growth, and this budget reflects new positions we haven't had on the payroll before.

I would like to express my appreciation to the Mayor and Council, and all department heads, for the active participation in the budget process. As always, we have projected revenue very conservatively and expenses at the highest expected level, which contributes to the proposed reduction to fund balances. Historically, conservative management has reduced or eliminated budget deficits.

Respectfully Submitted,

Darrell Newsom
City Manager
